SMASHVILLE SAFE
HEALTH & SAFETY GUIDELINES FOR SMASHVILLE

MASKS ON, KEEP SMASHVILLE STRONG
While on Bridgestone Arena property, guests above the age of 2 are required to wear a cloth face covering or mask (that covers both the nose and mouth) at all times, including, but not limited to, when guests are inside the building or on the plaza. A face covering or mask may only be lowered when actively eating or drinking at a guest’s designated seating location.

STAY OUT OF THE PENALTY BOX
If you are not feeling well, please stay at home. If you have had contact with a person with a confirmed case of COVID-19 within the past 14 days, please stay at home.

DO YOUR PART, STAY APART
While at Bridgestone Arena, guests must practice safe social distancing at all times, which means physical distancing of at least 6 feet from other people who are not from the guest’s household in both indoor and outdoor spaces.

SAFETY FOR SMASHVILLE
All areas will be sanitized prior to, during, and after an event according to CDC guidelines. Hand sanitizer stations and disinfectant will be provided throughout Bridgestone Arena.

BE THE FIRST STAR OF THE GAME
● Practice good hygiene.
● Wash hands frequently with soap and warm water for at least 20 seconds or use alcohol-based hand sanitizer, if soap and water are not available.
● Cover a cough or sneeze with a tissue, then throw the tissue away.
● Avoid touching one’s face.

NO BAG POLICY
No Bags will be allowed for the event with the exception of small clutches up to 4.5” x 6.5” in size.

MUSIC CITY’S COVID-19 RESPONSE
In-person public gatherings and events carry an inherent higher risk of exposure to COVID-19. COVID-19 is an extremely contagious disease. Prior to attending a public gathering or event, please learn more about the risks involved and evaluate your individual risk level. In particular, vulnerable individuals, such as certain older adults and those with certain pre-existing health conditions, who have an increased risk for severe illness or death, need to take extra precautions against COVID-19. Additional information can be found at Metro Nashville’s COVID-19 Response website or at the Centers for Disease Control website.
